

**COOLER RUNNING,  
REDUCED COSTS,  
BETTER FUEL ECONOMY.**

# **COOLMASTER** *OffRoad*

## **TRANSMISSION COOLER FOR 4WD**

- Advanced stacked plate & fin design minimises flow restriction for maximum lubrication of transmission parts.
- Durable and rigid all aluminum construction.
- Slim and lightweight design enables unique mountings & easy fitment in limited space.
- 30% more efficient than traditional coolers.
- Prevents costly repairs - Longer transmission life.
- Suitable for Towing - Boats, Caravan & Trailers. Carrying heavy loads, hot driving conditions, four wheel driving & racing applications.
- Includes quality fitting kit & simple do-it-yourself instructions.
- Range includes Ranger, BT-50, LandCruiser, Hilux and many more.

**Application Listing Overleaf**
